Subject: Dimock Inquiry Public Comment Period

Trish:

Ex. 6 - Personal Privacy called me to ask if the Public Comment period for the Administrative Record for Dimock was published and if so, where and when.

I informed her the public notice was published in the Time-Tribune on Thursday, March 15, 2012, on Page A8 on the lower half of the page.

She followed up wanting to know if the residents had been informed. I told her that her question was beyond the scope of the information I had and I would ask you to contact her.

Please let me know if you have any questions or would like to discuss.

Thanks,

Paul
